

Curriculum Vitae of Jon Sommers

PROFESSIONAL EXPERIENCE

- DH Adjusting 2014 to present
President/Executive General Adjuster
- Deans & Homer 2010 to 2014
National General Adjuster
Worked as a field adjuster handling large commercial claims throughout the Western States. Met with insureds, insureds' attorneys, and public adjusters and successfully reached agreement on complicated property loss matters, including negotiating compromised settlements where coverage was at issue. Worked within the home office claims department and managed and oversaw large commercial property losses with broad settlement authority. Managed independent adjusters assigned to Deans & Homer claims throughout the United States. Performed annual claim audits for all of the large property claims.
- Crawford Technical Services 2009 to 2010
National General Adjuster
Traveled to and adjusted large commercial claims in over twenty-five states throughout the United States. Was the dedicated adjuster on several large national accounts. Worked on numerous accounts for appointed Executive General Adjusters which included: hospitals, dental practices, hotels, wineries, shopping malls, national retail stores, casinos and restaurants. Developed new business and oversaw existing accounts.
- DH Construction 2007 to 2009
Senior Estimator/Business Development
Worked on a variety of commercial building projects such as multi-family apartments, large warehouses and custom high end residential structures. Worked with insurance adjusters performing damage evaluations, estimate value of loss, and providing schedule information. Oversaw building repairs and worked with property owners and insurers to the conclusion of the repairs. Developed new business and oversaw existing accounts.
- Crawford Technical Services 2005 to 2007
General Adjuster
Handled large commercial claims throughout the United States. Handled numerous commercial claims after Hurricane Katrina and Hurricane Wilma. Worked on numerous accounts for appointed Executive General Adjusters which included: hospitals, dental practices, hotels, wineries, shopping malls, national retail stores, casinos and restaurants. Developed new business and oversaw existing accounts. Awarded "General Adjuster of the Year" in 2005.
- Cunningham Lindsey 2000 to 2005
Adjuster/Branch Manager
Handled residential and commercial claims throughout California and managed the Sacramento office.
